About US

Agama Law Associates (ALA) is a commercial law practice firm offering end-to-end corporate and commercial legal solutions to Indian and foreign businesses.

ALA focuses on providing commercially sound and pragmatic legal advice while cutting out legal “noise” as well as ensuring regulatory and statutory compliance.

Our endeavour is to create a platform for the most effective and efficient delivery of quality legal services as a solution.

Our goal is to be the firm of choice for clients with regards to all their legal needs irrespective of the nature, complexities or dimensions of the matter.

We offer a wide range of services tailored to companies across sectors at various stages – startups (incubation and pre-startup included).

We offer wide spectrum of solutions in varied practice areas as well as in different geographies through our network of associates.

Our large network of paralegal associates in various fields including real estate, litigation and IPR filings, enables us to provide comprehensive legal solutions.

Technology, relationships and sector experience enable us to offer competitive costs and enhance our pragmatism on mandates of a diversified nature.
